

MASTHOPE MOUNTAIN COMMUNITY

BURNING PERMIT

PERMIT #: _____

Name: _____ Date: _____

Address: _____ Lot #: _____

Email: _____ Phone: _____

Open fires (cooking grills not included) are not permitted anywhere within the Masthope Mountain Community. Controlled burning shall be permitted in fireproof containers (steel barrels, etc.). Approval must be granted by the ECC for all controlled burning.

The following requirements must be met before the ECC will grant approval:

The Community must not be on a high hazard fire notice.

Only wood, paper products, branches and leaves may be burned.

Tires or other materials that produce heavy smoke may not be burned.

No more than one controlled fire shall be allowed per property.

A garden hose must be kept at the approved burn site to prevent the spread of any fire.

No burning from Memorial Weekend thru Labor Day.

Burning must be done in a metal barrel.

Fire must be attended, and property owner must have a hose nearby.

PERMITS ARE VALID FOR 3 DAYS ONLY
