

Special meeting of the Board of Directors.

Covid 19 continues to present challenges to the safe operation of community amenities. The BOD must address social distancing and the possibility that attendance must be restricted at amenities to help preserve the health, welfare and safety of the membership and staff.

Monday evening June 8th at 7PM there will be a special meeting of the board of directors to discuss this very important matter. Potential resolutions include limiting the number of members, renters and property owner's guests at amenities.
